Barcycling Chair
by Ayhan Guneri

Bar Chair: Barcycling is a bar chair which is designed sports themed spaces. It takes attention with the image of dynamism on the bar chair, thanks to bicycle saddle and bicycle pedal. Creating the skeleton of the seat polyurethane and the top of seat covered with hand sewing leather. While the softness of polyurethane, natural leather and hand sewing quality symbolizes durability. Unlike the standard bar chair that footrest position cannot be changed, barcycling makes it possible that variable sittings with keeping the pedals in various locations. Thus it enables that longer and comfortable sitting.
